Expertise and Interest Register

We are keen to draw upon the talents, expertise and volunteer capacity of our school community. Here at Robert Townson PS we believe in connecting with our community and involving as many parents as possible as productive partners. We look forward to your responses on the note that was recently sent home.

Identification Badges for School Staff, Visitors and Volunteer Helpers

To improve school security you will be able to recognise members of staff by their identification badge. On arrival at the school, all visitors should report to the office so that staff are aware of their presence in the school. All visitors must sign the visitors’ book located at the office and wear an identification badge. The school visitors’ book includes details such as the date, time of arrival, name, purpose of the visit, contact details and time of departure. All volunteers in the school, even regulars, should sign in at the office when they arrive. Thank you to all the parents and carers that give of their time to assist our students and staff we really appreciate all you do.

From the Library

The Premier’s Reading Challenge is well underway. Congratulations to Veronika Miller and Anika Bhanot who have already completed the Challenge this year. Reading records need to be completed by August 21. If you need help with entering your books please come and see me in the Library.

Next term we will be having our Book Fair during Book Week (August 24 to 28). The theme this year is Books Light Up Our World. A variety of very reasonably priced books will be available for sale. The Library receives a percentage of any sales in free books. All classes will have time to visit the fair, parents are more than welcome to come with their children. Classes will come at their normal library time. We will also be open after school on Thursday 27 August until 7 pm for those who can’t make it during the school day. There will be other events happening around this time, so watch out for further announcements!
