1. Name something you would like to improve on this year.

- I would like to improve on my handwriting and running writing and the way I write as I am not a very neat writer – Paige
- I would like to get all my homework in on time and improve on my spelling and making no mistakes in my writing and homework – Michael
- This year I would like to improve on my spelling because Spelling is my worst subject in school and I am striving to be better – Connor
- Something I would like to improve on is participating in as many physical activities as possible and also improve my handwriting – Jackson
- I would like to improve in my maths. I’ve improved since last year but I want to take it up to Year 6 level, I want to be ready for Year 7 – Maddie
- I would like to improve my times tables this year because I need to get to know them off by heart – Capri
- Trying better at maths, fractions, division and multiplication – Jamiela
- Handwriting, dancing, singing and learning – Jessica
- To improve my spelling, to improve on brain teaser homework, and to improve my handwriting – Mathew
- To improve handwriting, getting homework done before deadlines, make more friends, improve communicating with people – Lachlan

2. What is something that you would like to do differently this year compared to last year?

- Getting involved in different class activities and group activities – Paige
- I would like to help more kids on the playground and also have some more fun – Michael
- To at least do sport every week because it would be good for people that don’t do sport outside of school – Connor
- I would like to use more strategies to do things – Jackson
- I want to do something different. I would like to do something more relaxing like nice, silent reading but still have a good time while doing it – Maddie
- I would like to hand in my homework every week – Capri
- I would like to learn how to play acoustic guitar and be a musician – Jamiela
- Get involved in school activities such as Circus, Wakakirri, Onstage and choir – Jessica
- I would like to do everything I can to help the school and make it a better place – Mathew
- Hand in homework, don’t be shy and be good at art – Lachlan
3. What motivates you to do your best and 'Aim High' in the classroom and playground?

- My work and how I do it. If I do it neat, I'll feel proud of myself. But if I don't do it neat, I'd feel like I didn't do it good enough - Paige
- *Something that motivates me is when I am older I could get a university degree and travel the world to play and coach football* - Michael
- My parents motivate me because they support me in my class and homework - Connor
- *What motivates me is to work hard and to do the best on my report* - Jackson
- People that motivate me are my teacher and peers. They help me to strive and aim high for whatever I do, and always strive to do my best - Maddie
- *I would like to do my best in the classroom and playground by aiming high and to get many awards to please my parents and teachers* - Capri
- I make my parents and teachers proud - Jamiela
- *To please people and students around me and learn new stuff* - Jessica
- To make my teacher and parents proud of my work - Mathew
- *Get Townies and merit awards and learn to do things properly* - Lachlan
