Authority to Publish Form

Dear Parents/Carers

I am seeking your permission to include the image and/or name of your child in our publicly available school communications. These could be in print, video, and/or our publicly available school website.

Content examples include but are not limited to photographs, text, illustrations/graphics, videos, sound recordings, examples of student work.

Our school communications include but are not limited to:
- school's public website
- school newsletter (online and hard copy)
- annual school magazine
- local community newspaper / magazine
- media promotions and advertising activities
- electronic and print promotional material
- annual school report

If you do not give permission this also means that your child cannot be included in the school class photo.

Please complete the permission slip and return to your child’s class teacher. Each child in a family needs a separate Permission to Publish form.
